

Why Register?

Our 7th Tradition states: "We are fully self-supporting through our own contributions." The money collected from registration fees is used to pay all Gathering-related expenses, including: mailings; promotion; speaker travel and lodging; Saturday dinner and beverages; hospitality; entertainment; facility (not swim) fees; and registration packets.

Your registration includes all events. We are grateful for your support. If you have financial difficulties, contact your local group or area for assistance.

23rd Annual Montana Gathering

WE DO RECOVER!
LOST DREAMS AWAKEN AND NEW POSSIBILITIES ARISE.

June 17-19th, 2011

**Symes Hot Springs Hotel
Hot Springs, Montana**

From the first day, the Twelve Steps become a part of our lives. At first, we may be filled with negativity, and only allow the First Step to take hold. Later, we have less fear and can use these tools more fully and to our greater advantage. We realize that old feelings and fears are symptoms of our disease. Real freedom is now possible.

As we recover, we gain a new outlook on being clean. We enjoy a feeling of release and freedom from the desire to use. We find that everyone we meet eventually has something to offer. We become able to receive as well as to give. Life can become a new adventure for us. We come to know happiness, joy and freedom.

There is no model of the recovering addict. When the drugs go and the addict works the program, wonderful things happen. **Lost dreams awaken and new possibilities arise.** Our willingness to grow spiritually keeps us buoyant. When we take the actions indicated in the steps, the results are a change in our personality. It is our actions that are important. We leave the results to our Higher Power.
